AccuFleet International Announces Appearance Contract with Spirit Airlines for IAH (Houston), DFW (Dallas), and MCO (Orlando)

DECEMBER 21, 2020, HOUSTON: AccuFleet International today announced a new agreement with [Spirit Airlines](#) (NYSE: SAVE) to provide exterior wash, MEC (maximum effort clean), and RON (remain overnight) cleaning services for the carrier at Dallas-Fort Worth International Airport (DFW), George Bush Intercontinental Airport (IAH), and Orlando International Airport (MCO).

Beginning this month, AccuFleet International will grow its appearance service division to include Spirit Airlines at these three airports. This adds to the existing disinfection/fogging services AccuFleet already has been providing the airline in multiple locations across the United States.

“We are very excited to grow our relationship with Spirit Airlines and take great pride that they chose our company to provide the highest level of service for their passengers in these important markets said Alex Cestero, president of AccuFleet International. “We continue to build on strategic relationships with our customers in an effort to provide the highest quality and dependable service in the industry, particularly during this challenging climate.”

“The bar for airline industry cleaning standards is the highest it has ever been, and we need partners like AccuFleet who can deliver on our detailed scope of heavy cleaning requirements, providing a great experience for our Team Members and Guests,” said Kirk Thornburg, Spirit Airlines Vice President of Technical Operations.

AccuFleet International is the only aviation support service company with IROD™, a proprietary service delivery and reporting platform. Customers large and small can track inventory, dates, and times of service, see “before and after” photos for proof of service and use smart data to help optimize their operation. The IROD™ platform allows customers to seamlessly track multiple services to ensure compliance and certifications, and successfully execute customized appearance programs to their specifications. Through its digital platform, accompanied by physical assets such as a recently launched Cabin Training Center, and focus on anticipating customer needs, AccuFleet International delivers top-notch service through a responsive partnership with each customer.

About AccuFleet International, Inc.

AccuFleet International has been providing quality, reliable services to its customers within the aviation industry since 1981. In addition to cabin cleaning, the company also offers fully or partially-managed upholstery care, ground handling, exterior cleaning, disinfection, technical wash, and FAA flammability certification, through sister company AccuFleet Testing Services. AccuFleet International operates in 12 markets including Houston, (IAH/HOU), Dallas (DFW), Atlanta (ATL), New York (JFK), New Jersey (EWR), Los Angeles (LAX), San Diego (SAN), Philadelphia (PHL), Phoenix (PHX), Orlando (MCO), Atlantic City (ACY) and Charlotte (CLT).

With employees in nine different states, AccuFleet International provides state-of-the-art aviation services to domestic and international carriers across the United States. More at www.AccuFleet.com
